General Instructions and Information for Applicants

Maricopa County is an EQUAL OPPORTUNITY EMPLOYER which adheres to Merit System Principles. The Maricopa County Merit Systems Rules were established to ensure that vacancies are filled through fair and competitive evaluation procedures and without regard to race, religion, sex, national origin, age, disability or any other non-merit factor.

- 1. There are several types of job announcements that may be issued. The phrase directly above the title of the position will alert you to the type of recruitment:
 - a. "Open Competitive" recruitments invite both County employees and the general public to apply.
 - b. "Internal" recruitments invite specified groups of County employees to apply.
- 2. For those positions in which you are interested, read the complete job announcement. The announcement provides detailed information including the salary, nature of the work, the closing date for receipt of the applications and the minimum and/or special qualifications. All Open Competitive job announcements are available as printable PDF forms from our website.
- 3. Some of the available positions may involve working varied or rotating shifts and/or working at different locations. Only individuals who indicate on their applications willingness to work such shifts or in such locations will be considered. Note: Employees of Maricopa County are part of a dynamic organization that may require employee flexibility to changes in the work location and/or shift at the hiring department's discretion.
- 4. **BEFORE YOU COMPLETE THE APPLICATION**, check the job announcement to be sure that you possess the required skills, education, abilities and/or experience for the position.
- 5. It is important that you complete the entire application form in black ink (or type). Copies will only be accepted if they are extremely legible. To be considered, applications must be received by the specified closing date. Applications received after the closing date may not be considered. It is critical that you supply the correct recruitment code on each application. This information is located on the lower left hand corner of the front page of each announcement. This information will vary on each announcement.
- 6. Be sure to check over your application before you submit it. **ALL ITEMS MUST BE COMPLETED.** If items are left blank, your application cannot be properly reviewed and may be disqualified. Your application must be signed and dated. If there is a supplemental information form attached to the announcement, it must be submitted with the application for that announcement.

NOTES TO CURRENT EMPLOYEES: Unless you are a temporary or unclassified employee, you must have successfully completed initial probation before your application can be considered. The FIRST position listed under Employment History must be your current position with Maricopa County. If you have held several different positions with Maricopa County or have held the same position but with different departments, they must be listed separately. Your personnel file will NOT be checked for this information.

What happens to your application?

After your application is submitted, it goes through the following steps:

- 1. Following the closing date, the applications are reviewed; depending on the nature of the position, a screening committee may also be utilized. The time required for this process varies depending on the number of applications and the type of position.
- 2. You will be **NOTIFIED BY MAIL** of the results of this review. Depending on the exam requirements, you may be scheduled for an oral board interview, a written exam, performance test, and/or rated on pertinent training and experience as it is listed on your application. * (See ADA Accommodation Information section below.)
- 3. When you have successfully qualified on the required exam(s), your application will be maintained in an employment register. Departments which may have vacancies for the position will arrange and conduct employment interviews. The higher your score, the greater your opportunity for such referrals. The successful candidate will be selected from the list provided by the Human Resources Department. The department which conducts the interviews will notify those who are not selected.
- 4. If you are selected for a position covered by the Merit System Rules, you must successfully complete a probationary period of not less than six months. Initial probationary employees are ineligible to apply for other merit covered positions.
- 5. When a candidate is selected for **any position or temporary assignment**, other active applications will be removed from consideration.

Veterans'/ Employment Preference Points

EMPLOYMENT PREFERENCE POINTS for Veterans (or their spouses) and Disabled Persons: Effective August 27, 1977, Arizona Revised Statute 38-492 was amended and authorized preference points (not %) for four (4) major categories of applicants for merit system employment:

- VETERAN (5 points): A veteran of the Armed Forces of the United States who is separated under honorable conditions following more than six months of active duty.
- **DISABLED VETERAN** (10 points): An honorably separated veteran who served on active duty in the Armed Forces at any time and who has a service-connected disability or is receiving compensation or disability retirement benefits under laws administered by the Veterans Administration, Army, Navy, Air Force, Coast Guard, or Public Health Service.
- VETERAN'S SPOUSE or SURVIVING SPOUSE (5 points): A spouse or surviving spouse of any of the following: 1. Any veteran who died of a service-connected disability. 2. Any member of the Armed Forces who is serving on active duty and who, at the time of application, is listed by the Secretary of Defense of the United States in any of the following categories for not less than ninety days: missing in action, captured, forcibly detained or interned. 3. A person who has a total, permanent disability resulting from a service-connected disability or any person who died while the disability was in existence.
- **DISABLED PERSON** (5 points): An individual who has a physical or mental impairment that substantially limits one or more major life activities or has a record of such an impairment or is regarded as having such an impairment.
- **TO SUBMIT A CLAIM:** If you feel you qualify on one or more of the four categories, obtain the claim form/information sheet from the Employment FAQs page at the Human Resources Internet (www.maricopa.gov/human_resources) website or contact HR at 602-506-3895 with your request.
- Certification for category I (Veteran) requires verification of DD Form 214 or other acceptable proof. A copy of the DD Form 214
 may be submitted in lieu of the claim form. Submit only copies, as the documents will not be returned to the applicant.
- Certification for category II (Disabled Veteran) or III (Veteran's Spouse) may be obtained from the VA Regional Office or at Veterans Services Offices of the Arizona Department of Economic Security. If outside Arizona, you may also obtain certifying materials at your local VA Regional Office. The VA Claim Number must be furnished by you.
- Certification of category IV (Disabled Person): We will verify the information you provide through the medical authority you indicate on the claim form.

A maximum of ten (10) preference points will be applied to your final score, but only if you earn a passing grade without preference. Current employees are not eligible. Preference Points can only be added when the required documentation/verification has been received by the Human Resources Department.
